NOTICE OF WITHDRAWAL BASED ON STIPULATION

This matter relates to a motion to quash subpoenas served in this district as part of a patent litigation currently pending in the Eastern District of Texas. The subpoenas were served by Defendant/Counterclaim-Plaintiff Cree, Inc. ("Cree") on third-party Philips Lumileds Lighting Co. ("Lumileds"), which moved to quash. Plaintiff/Counterclaim-Defendant BridgeLux, Inc. ("BridgeLux") also moved to quash and requested monetary sanctions.

Subsequently, Cree and BridgeLux reached an agreement in the underlying litigation. Based on that agreement, Cree has withdrawn its pending subpoenas to Lumileds, and Lumileds has withdrawn its motion to quash, as memorialized in the Stipulated Withdrawal of Lumiled's Motion to Quash attached as Exhibit A to the Declaration of Aaron Myers submitted herewith. BridgeLux and Cree then met and conferred, and agree that BridgeLux's motion to quash should be withdrawn as moot.
